“ I am so sorry to hear of the demise of Jackie. I send my condolences and the memory of all of us living in the Logan-Clinton Streets area when we were growing up, our mothers calling us in the house because night was falling. But they knew we weren't no further than the garages, playing ball or hiding go seek. May the Lord bless you all and ease the grief shared. From Minnie (Howell) Simpson

There are no words to express to you at this time in the loss of your dear mother. But remember she loved all you unto death. I will truly miss our talks every day before leaving Turning Point. But God loved her best. We will continue to lift the family up in prayer. 💕
