

Mr. Jerron Edward Lewis

May 29, 1992 - July 10, 2019

Jerron, affectionately known as “Ron-Ron” by family and friends, was born Friday, May 29, 1992, in Harrisburg, PA, son of Yolonda Y. Lewis and Brian K. Dykes.

Jerron received his formal education in the Central Dauphin School District, Harrisburg, where he graduated from Central Dauphin East High School, Class of 2010. Upon his high school graduation, Jerron pursued further education attending Thaddeus Stevens College of Technology, Lancaster, PA. Jerron was known to be a sports fanatic. He played baseball, basketball and football from early childhood up until college. He was a diehard fan of the Philadelphia Eagles and the Penn State Nittany Lions, just like his Pop. But, most of all, Jerron loved his family and was a loyal friend to all. He enjoyed spending time with his family, friends and listening to music. Not forgetting, the “special times of laughter and joking” he treasured with his cousin, Crystal Cooley-Clemons. With a personality that was as big as his signature smile, Jerron’s spirit touched the hearts of many.

On Wednesday, July 10, 2019, at twenty-seven years of age, Jerron transitioned from this life joining in eternal life his grandfather, Edward L. Dykes, and his aunt who was like a mother, Geneva Nichols.

Jerron Edward Lewis leaves to cherish many special memories: his mother, Yolonda Y. Lewis; father, Brian K. Dykes; his siblings, Jerrell Lewis, Hailea Dykes, Joseph Payne, all of Harrisburg, PA, Genay Landrau (Pedro) of Middletown, PA, Brian Dykes of Millersburg, PA, Michael Gelsinger of

Shippensburg, PA, and Joshua Troope of Aberdeen, MS; his maternal grandparents, Reverend Willie E. Lewis Sr. and Reverend Joy D. Lewis of Middletown, PA; paternal grandmother, Mrs. Linda Dykes of Harrisburg, PA; God-parents, Reverend and Mrs. William Crenshaw, Pensacola, FL; other family members and friends.

“ To Brian Dykes and Family:

If it had not been for you my handsome nephew Jerron (Ron) would not have been the joy of our lives as he entered into this world on May 29, 1992! I had 5 nephews and out of them all he stood out with that big personality, his swag and signature smile that always melted all our hearts (inherited from me)! Hold onto the memories and know that God is able to bring you and your family through this difficult. If nothing else, think on that beautiful home going service that proved he touched the lives and hearts of family and friends! HE WAS DEFINITELY LOVED BY MANY!!!!!!!

Keeping you and yours in my prayers!

“ To My Dear Baby Sis:

I can't begin to understand the hurt and pain you feel with the sudden loss of your oldest son, my handsome nephew Jerron (Ron) who had that signature smile inherited from his Aunt T! Know that the God we serve will mend yours, Jerrell and our families brokenness; sustain and uphold us with his righteous right hand. (Isaiah 41:10 NKJV)

I pray that, knowing Ron is with the Lord, brings healing, peace and comfort over the days, weeks, months and years ahead! Don't give up on God, for HE won't give up on You; He's able to bring you, Jerrell and our family through this very difficult time in our lives!

Prayerfully yours and I Love you More!

“ *As i dry my tears
i wonder why you cant be here
the friendship that was taken from me was so dear
you were always there to listen and to hear
as the thoughts pass through my head
i sit and wonder why it had to be you instead
all though i know its true
its still so hard to to believe its really you
you will always have a special place in my heart
and for that i know we will truly never ever apart*

“ *For a second you were flying
Like you always wanted to
Now you'll fly forever
In skies of azure blue
We'll see your smile in every ray
Of sunshine after rain
And hear the echo of your laughter
Over all the pain
The world's a little quieter now
The colours have lost their hue
The birds are singing softly
And our hearts are missing you
Each time we see a little cloud
Or a rainbow soaring high
We'll think of you and gently
Wipe a tear from our eye*

“ *May you fly away
And never give way
The people down here may feel a void
And just destroyed
We will miss you
We were stuck like glue
But I will never forget
All the times we watched the sun set
But now your in a better place
Just want you to touch base
I can't believe your gone
But we must go on*

Francine Varner - July 16, 2019 at 12:18 AM

“ How do I say goodbye to what we had?
The good times that made us laugh, outweighed the bad.
I thought we'd get to see forever, but forever has blown away.
It's so hard to say goodbye to yesterday.
I don't know where this road is gonna lead to.
All I know is where we've been and what we've been through.
If it...

Francine Varner - July 16, 2019 at 12:14 AM

“ Sorry I never told you all I wanted to say...
And now it's too late to hold you
'Cause you've flown away so faraway ay-ay-ay-ay
Never had I imagined your living without your smile...
Feeling knowing you hear me it keeps me alive alive...
And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
Together
One sweet day...
Loving you always and I'll wait patiently to see you in heaven
Darlin' I never showed you
(I never showed you)
Assumed you'd always be there (always be there)
I thought you'd always be there
And I... I... I take
(taken for granted) your presence for granted
But I always cared
But I always cared
And I miss the love we shared
And I...

Francine Varner - July 16, 2019 at 12:10 AM

“ *This songs dedicated
To my homiez in that gangsta lean
Why'd you have to go so soon
It seems like yesterday
We were hangin' round da hood
Now I'm gonna
Keep you memory alive
Like a homie should
A lifetime of memories
Going down the drain
Id like to keep steppin'
But I can't get past the pain
I tip my 40 to your memory
Take a drink, and I
Stop to think, and I
I know one day soon
We'll be, we'll be hangin' out
This is for my homies
This is for my homies, well well
See you when I get there
In that gangsta lean, that gangsta lean
This is for my homies
This is for my homies, well well
See you when I get there
In that gangsta lean, that gangsta lean
My god, my god
Could you pass on a message from me
Tell him put down those dice for a second lord
Listen to his homie
Could you...*

“ It's okay to miss you,
It's okay to cry.
Just know I'll never forget you.
This isn't a permanent goodbye.

Sometimes I sit and wonder
If you are standing by my side,
Giving me the courage
To carry on with pride.

I'll hold onto our memories,
Until this life is done.
In my heart is where I'll store them,
Where we can be as one.
