“ John(JB) was my first Laundry Supervisor and mentor. I learned many things from him. We would be sweating and he would be leaning on a dryer in long sleeves and I would say its hot arent you and he would say nah just melting a little frost off the pumkin. We always tried to stay in contact through the years. I could never get him to come to the country to visit kind of a thing we had. He was proud man and treated me better than I could ever explain or express.He will be truely missed.
