“ *I/m sorry I was not able to be at your tribute Kapri. Kapri and I have known each other and have been a part of each others lives since the day she walked into my office in 7th grade. She left my building but not my life. I followed her wherever she went. Kapri was my, as we said , psedo daughter. She had the voice of an angel, a smile that lite up an room and a personality that caught your heart. I can not believe you are gone ; you took with you a piece of my heart. I know you knew I loved you. I miss you and will miss you. I will think of you while floating on the boat and fishing. Be a peace my sweat Kapri.*
