*“ I first met Kelley through my cousin in the early '80s. I always looked at her like an older cousin of mine. Any time I would see her we greeted each other with a hug or a smile. One thing I do remember about her she loved her children and her family. I pray that the Lord continue to watch over her mother, children, grandchildren, family, and close friends. I send my heartfelt condolences to her family and close friends. Rest In Peace Kelley*

*Kelley and I shared plenty of laughs and giggles growing up out the South Side, going to the pool, catching the bus to go to the East Mall, skating parties at Hagy's and house parties, just to name a few. Kelley had a smile that could light up a room.*
