“ Condolences to the family of Kenute Whyte, who departed this life quite suddenly, earlier this month... Ken and I, we grew up together in Sheffield, Westmoreland, Jamaica; we were like brothers... We were School mates, played cricket and many other games together... We worked on building constructions, many years, together... Many, many years ago we migrated to North America, Ken to the U.S.A., and I to Toronto, Canada... We were always in touch by phone... Ken, I am surely going to miss our phone chats... I can't forget how you laid claim to, and liked to be called; (The Outlaw Josey Wales)... Rest In Perfect Peace, Josey Wales: My good friend!!!  
Signed: Logan Pearce...
