“ Dear Seay Family,
I just learned of Lana's passing - so sad to lose another young Steeltonian. While Lana was not in my school class, Pat was. She always had a kind word and I can't remember ever seeing her without a smile on her face. Rest in peace, Lana. Pat and family, you are in my prayers.

“ *My most funniest memory I remember about me and Lana was when we had to make our routine for gym class. She wouldn't stop until we got every beat right. We did our routine to Mighty Love by the Spinners. We had so much fun. I am really going to miss her even though I didn't see her or talk to her all the time. When I saw her she always spoke with that funny laugh of hers. She was my friend/classmate. I will never forget all the fun we use to have. R. I.P.*

My sincere condolences to you. Lana will be missed. I loved when she would sing with CAMA and of course we were always cutting up and laughing. Her support and love for her family always was there, especially when she spoke of her grandchildren. She is missed. May God grant you peace and comfort and may your faith serve as a source of strength and comfort.
