

Larry Alexander Green

May 28, 1949 - December 21, 2021

Larry Alexander Green, son of the late James R. Green and Helen A. Tatum Green, was born Saturday, May 28, 1949, in Harrisburg, PA.

Larry was a spirited youngster, full of mischief, and loved by children and adults alike. Of all his siblings, he was the most precocious.

Growing up in a Christian home, Larry accepted Christ at an early age and was baptized at The Greater Zion Missionary Baptist Church, Harrisburg. On April 18, 2010, Larry joined in fellowship with the Mount Calvary Church of God in Christ, Harrisburg.

Larry was educated in the City of Harrisburg attending all uptown schools, elementary schools, Camp Curtin Junior High School and William Penn High School. Throughout his primary and secondary education, he was an exceptional athlete. He played football, basketball, baseball and swam. He worked for a time as a lifeguard at the Camp Curtin Branch of the YMCA. Although small in stature, his high school football athleticism was acknowledged, and he was scouted by colleges that offered him scholarships. He chose to matriculate at Shippensburg State College for a short period. After leaving Shippensburg, he worked at several jobs at the State Capitol and the Department of Corrections. He worked at the Homeland Center Retirement Community for many years as a security person. After years of

dedicated service, he retired from Homeland.

On Tuesday, December 21, 2021, Larry departed this life. He transitioned from physical and emotional pain and suffering. His residency was changed from his earthly home to a building not made with hands, eternal in Heaven. There, he joined his parents, James and Helen Green; siblings, Thomas O. Green, James M. Green, Barbara E. Green; and other loved ones who preceded him in death.

Larry leaves to mourn his passing three sisters, Lola Brown, Geraldine Butler and Teresa Lewis; son, Larry O. Green; companion of his heart, Patricia Ann; stepson, Marty Martinez; five grandchildren, two great-grandchildren and a host of nieces, nephews, cousins and friends.

“ Uncle Larry, I will miss our long conversations with you always saying, "you know what I mean". I hated when I called you every week and you would struggle with every breath you took but we would always find a way to laugh. I will forever have this scar on my head from playing hide and seek with you. You scared me, I ran, I fell, and my head hit the table. Every time I see this scar it's going to remind me of you. I am going to miss that laugh but at least I know you are not struggling anymore. I love you forever and always, I will see you on the other side. You will definitely be missed.

“ Our sincere condolences and prayers for Mr. Greens family. When visiting Mr. Green (picking up his church offering), he always had a good sense of humor & a word from the Lord. My last visit with him (Dec. 13th), he informed me that Burger King had a 2 for 1 special & he show would like those chicken sandwiches. Well, off I went. Be good and kind to folks because we never know what tomorrow is gonna bring. Our love to all.
