“ I would like to extend my sincere condolences to the entire family and dear friends of Larry Eugene (Mercury) Morris. Larry was one of my best friends. We go back from our grade school days thru High School. Our collective humanity of classmates has lost a precious dear friend. He was a very proud and humble man devoted to his loving Parents, his Son, Grandchildren, and his loving siblings.

So many memories reflect in friendship. I can remember the times when either Larry or I would be on each other's front porch watching life go by and laughing our hearts out. He had a great sense of humor and he was one of our best athletes representing our school at John Harris then renamed Harrisburg High. I can see 'Merc' now crossing hurdles thru the pearly gates of heaven.

I'm still at a loss for words but I can only state that let us all embrace his life and cherish those great moments in the memory of this beautiful man. Let us all find solace and rejoice in celebrating his life by bringing comfort to his family and friends for he would have wished it so. He is now in the saving grace of our Savior, Lord Jesus Christ, and in the palms of heavenly Father.

God Bless,
