“ Todd,

A mother's love is forever. Your mom earned her Heavenly Wings. I know she is extremely proud of you, her amazing son. She's now your Angel in heaven, helping to protect, and watch over you and the family. There will be many times you'll think of your mom, remember an interaction, a phrase, or recall a precious memory. Through these memories your mom will live on in your heart forever. Our deepest condolences to you, Monique, and all of the family members. We are honored to know you, and so very blessed to have met your mom.

“ Todd, wife, grandchildren and other family, members, This is one of the times you were taught about, While yet the teaching was so wonderful and filled with mother's love, until it perhaps made it so easy to miss the fulfilling of mom's love upon departure, There's no empty moments in your heart from mom, She awaits your arrival in fullness, As you experience Rom 10:9, just be sure you will see her again, Do rest in the peace of God, Remember each time you speak of her, she continues to teach you the power of a Mother's love,
