

## Lester Jerome Waters

October 16, 1957 - June 1, 2024

Lester Jerome Waters, son of the late Leon J. Waters and the late Ruby (Williams) Waters, was born Wednesday, October 16, 1957, in Harrisburg, PA.

Les graduated from Central Dauphin East High School and attended Shippensburg University. During his high school years, Les excelled on the football field and on the basketball court and later coached football at the high school. Les was a member of the team inducted into the CD East High School Hall of Famers in September, 2023. He was instrumental in initiating a reunion for the group. While at Shippensburg University, Les met many amazing friends on and off the football field sharing lasting relationships to this day. He retired from the United States Postal Service and was a dependable and faithful staff member at Wallace Funeral Directors, Inc., where he was loved and well-respected. Les enjoyed the fellowship and activities of being a member of American Legion, Post 733. His demeanor was that of a gentle-giant always kind and supportive.

On Saturday, June 1, 2024, Les unexpectedly transitioned from this life into eternal life at sixty-six years of age joining his parents and his brother, Leon Moore.

Although his departure leaves saddened hearts, his spirit will continue to shine brightly in the lives of his sister, Lisa Waters Harris (Jerrie); his aunts

and uncles, Sylvia Ross, Eartha Matthews, Willie Williams (Janice), George Williams (Jean), Carrie Patterson (John), Tim Greene (Janette) and Allen Greene (Bobbi); his nieces, Lanay Woods (Justin), Jaylenne Moore, Leonitia Moore, Charlese Shirk, Ciara Shirk, Kakeeya Moore, Zalika Moore; great-niece, Ruby Harris; nephew, Greg Harris (Eliza Baker); great-nephews, Lennox Woods and Deandre Jackson; along with his furry friend Charley, other family members, friends, his Wallace Funeral Directors Family and the Harrisburg Community.

“ I met Les as A teenager. But for the last 30+ years, we were neighbors. He always had a kind word, we'd talk about the neighborhood as he walked Charlie. He always had jokes but also keep me up on the HOA. I will miss him and miss knowing he was looking out for the block. Rest in Power Lester! 🕊️🙏❤️👍

*With heavy hearts and tearful eyes,  
We bid farewell to a man so wise.  
Lester Waters, a soul so kind,  
Leaving cherished memories behind.*

*His presence brought joy like no other.  
With open arms and a warm embrace,  
He made our lives a better place.*

*His laughter echoed through the years,  
Dispelling sorrows and calming fears.  
A friend to all, he lent a helping hand,  
In times of need, he'd understand.*

*His love and guidance knew no bounds,  
A pillar of strength, always around.  
With words of wisdom and a gentle smile,  
He made each moment worthwhile.*

*In the hearts of family and friends,  
His spirit lives on, it never ends.  
Though we mourn the loss we bear,  
His love and legacy, forever we share.*

*So let us remember Lester Waters with grace,  
A man of character, in every embrace.  
In our memories, he'll forever stay,  
A cherished presence, lighting our way.*

“ To the Family of Les Waters,  
Rob and I want to express our deepest sympathies for the loss of such a wonderful person. We met Les after we moved next door to him on Wyeth Street way back in 1996. He was nice and easy going. We had lots of funny conversations with him over the years. Even after we moved, whenever we came back to Wyeth Street, he still spoke to us like we never left the neighborhood. We are in shock by his passing as we will miss him and his smile. Cherish all the memories of Les, and he will never be forgotten.

I met Lester in school and right away I considered him a friend. Lester was an awesome human-being, uncle, brother, cousin, friend and a great dance partner. We all would grab at the chance to dance with him at the high school parties!

Over the years and since as far back as when he first moved on Wyeth Street, we have faithfully sent each other Christmas cards and that is one of the many things I'm going to miss about him! He was just a warm and caring person. When you were around him, he exuded love! I, among many, will sorely miss him! Lisa and family, you are definitely in my prayers! Valerie Tabb Avila

“ I was so sad to hear of Les's passing even though I really haven't seen him since high school. I love how everyone described him as a general giant for surely he was. I cheered for him through high school And although we rarely spoke, I definitely considered him a friend. I'm so thankful to Jesus who provided a way for us to know for sure that by faith in Him we can be together with Him and each other in heaven. Can't wait to see you there Les!
