“ *To Lola's family, I am so saddened by the passing of your mom/my friend. We worked together and sat across from her for many years at GTE. We stayed in contact here and there when she moved to PA. Have been trying to catch up with her for a while but hadn't heard back. Realizing today that this was no longer her number so I started the search. May God give you a peace and comfort that surpasses all understanding. She was loved.*

“ *My Best Friend Lola  
I sit and wonder and watch the days go by.  
I look at all our pictures and ask, why did you have to die?  
You've always been there for me because you are my best friend,  
and i was there for you until the very end.  
But now it's time to let go your spirit now is free.  
Even though you won't really be gone because you'll live inside of
