“ To Tasha, Stephanie, Jessica, Angie & the grandkids:

My condolences to you all. Mr Lorenzo and my dad were good friends. Every time i saw him, he would tell me a story about him and my dad. He was always so nice and he will be missed. One thing for sure, is he loved his daughters and grandkids. They were his world and I hope you all remember the great memories you shared with your father and grandfather. GOD Bless

Condolences to the Woodard Family. Woody was a coworker and he was pleasant to work with. He made you smile and laugh whether you were in a good mood or not. He kept his friendship outside of work as well. God took an angel but left his spirit for us to cherish. He will be remembered for being a friend, a coworker, a granddad and dad. He spoke highly of his grandkids and that is something I will remember when I see my grandkids. Thank you Woody for all the years of friendship we had. You will truly be missed. Hugs from below until we meet again.
