Footprints

I dreamed I was walking along the beach with the Lord.

Across the sky flashed scenes from my life and for each scene

I noticed two sets of footprints.

One set belonged to me—the other to the Lord.

But I also noticed that many times during my life

there was only one set of footprints, and it always

happened at the very lowest and saddest times in my life.

I couldn't understand this, and so I questioned the Lord about it:

“Lord, You said You would walk with me

all through my life, but I see that during
the hardest and saddest times I've had,
there is only one set of footprints.
How could you leave me when I needed you the most?"
The Lord replied, "My precious child,
I love you and I would never leave you,
during your times of grief and suffering,
when you saw only one set of footprints,
It was then that I carried you."

MAIRA'S LIFE WILL BE LOVINGLY REMEMBERED AND CELEBRATED IN
THE LIVES OF HER LOVED ONES.
