

Maleena Elizabeth Rojas

May 22, 2006 - December 16, 2024

Maleena Elizabeth Rojas crossed over into eternal life on Monday, December 16, 2024, at 12:19 P.M. Born on May 22, 2006, Maleena was a beautiful, vibrant soul who radiated love and compassion to everyone around her. She had a passion for saving animals, especially cats, and dreamed of pursuing a career in nursing to continue helping others.

Maleena's presence was a gift to all who knew her. Her warm smile and kind heart brightened every room she entered, leaving an everlasting impact on those fortunate enough to cross her path.

She is survived by her loving mother, Rebecca L. Deitzler; and her devoted brothers, J'Mere Givens and Elijah Harris, all residing in Harrisburg, PA. Maleena also leaves behind her life partner and best friend, Jordan Sanchez of Harrisburg, PA; her father, Miles Rojas and his wife Jackie residing in Port Richey, FL; alongside her four younger siblings, Lucien, Lorelei, Luna and Lily.

Aside from her immediate family, Maleena was deeply loved and cherished by a host of family, extended family and friends—too numerous to name individually. Her memory will forever remain in the hearts of all who knew her as the girl whose light shined so brightly, touching countless lives in her too-brief time with us.

In remembrance of Maleena and to honor her strength and perseverance, the family encourages donations to the Asthma and Allergy Foundation of America in her name. Contributions can help support others living with asthma and allergies.

“ Dearest Maleena, We automatically connect with each other in 4th grade summer at the Summer Smash concert where we were both obsessed with Jacob Satorious and Jake paul . From then on we were attached at the hip, every weekend was spent together, every night turned into a sleepover, and almost everyday we would walk to and from school together . No matter what the day was or the mood was Maleena knew just what to do and say to cheer me up and get me going. She was just a ray of sunshine like that . We both had struggles and turned to each other for help . No matter what the problem she was never one to judge , just encourage. Im completely heartbroken due to her passing but i know she’s continuing to spread light everywhere she goes , she continues to pass kindness and positivity to everyone she knew. No matter what her memory will always be here , her name will always be said . Forever my childhood best friend, forever Maleena Rojas world ❤️☐

“ My sweet, precious Maleena, you were a light in this world that shone brighter than words could ever capture. At just 18, you touched so many hearts with your beauty, kindness, and the way you effortlessly spread joy wherever you went. You had an internal light, so pure and radiant, that it will continue to shine through all who loved you.

Though you were too delicate for this world, your spirit will forever live on. FOREVER! Our daughters are waters from a river that will never run dry, and your light will always linger in the hearts of those who were lucky enough to know you. We will carry your memory, your warmth, and the love you gave us every day.

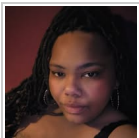

Rest in peace, my love. You will never be forgotten. Always in our hearts, always in our souls. I love you Maleena
