“ To the entire Jackson family, I offer my heartfelt condolences during this difficult time.

*Growing up in Cole Crest Marc and I were the best of friends. We'd hang out listening to music in the back yard and played ball up on the court. There was never a bad day hanging out with Marc.*

*It was a pleasure speaking with Marc a couple years ago after not having seen one another in decades. Marc had dropped in while I was in town visiting my father.*

*Marc's love for life and his laughter will continue to bring joy to my heart, and I am proud to have had Marc as a friend.*

*All my love,
