

## Margaret Cecilia (Cuff) Tippitt

July 5, 1930 - April 26, 2024

Margaret Cecilia (Cuff) Tippitt, daughter of the late John Cuff and the late Louise (Conn) Cuff, was born Saturday, July 5, 1930, in Carlisle, Pennsylvania. Margaret attended Carlisle High School in Carlisle, and later moved to Harrisburg, Pennsylvania.

Margaret was known for praising, dancing, singing, and her memorable outbursts during service while her Pastor was teaching. She loved her Lord and Savior Jesus Christ and her From the Heart Church Ministries of Harrisburg Family, where she was an honorary member. She loved going to the Saturday's Market in Middletown, attending church events, listening to music, and telling everyone what to do! She was a lovable person who enjoyed taking care of people: nieces, nephews, grandchildren, and friends of the family. Margaret was outspoken and funny; you never knew when or what she would say, especially during service. Margaret was loved by her biological family and her church family.

On April 26, 2024, our beloved Margaret went home to be with her Lord and Savior Jesus Christ at ninety-three years of age. Along with her parents, she was preceded in death by her siblings, Delores, Elizabeth, Catherine, Milton, Mary, Theresa, Louise, John and Joseph; her two sons, Donald and William Tippitt; grandson, Michael Tippitt; and granddaughter, Jamie McLaughlin.

Margaret leaves unforgettable memories and her love to her siblings, Agnes Barbara George and sibling/niece, Kathleen Banks; children: Maryanne Rogers, Patricia Ann Winters, Crystal Tippitt, Jacqueline L. Tippitt, and Stacey Tippitt; grandchildren, Sean (Asia) Tippitt, Tonya (Carl) Martell, Michelle Tippitt, Terah Tippitt, Crystal (Steven, Sr.) Welsh, Brianne (Lewis, Jr.) Robinson, Jerome (Dawanna) Staff, Tiera Thompson-Howell and Sasha Tippitt; forty-two great-grandchildren, fifteen great-great-grandchildren, and many other loving relatives.

“ Funny, I have been up for days at night thinking of grandma... she had a long list of songs she would listen to she'd have her fan on ..her legs crossed wearing her flip flops. The foot that was crossed her flop would flip n flop as she rocked her crossed leg..with her fly swatter (or switch) in her left hand and would be just swinging it to the beat of her songs on the record player on top of the tv or the cd player she had in her room. Sometimes she played Mariah Carey knowing knew all the lyrics and would sing everyone.. she would always wanna hear Hero. Everytime I hear that song I think of her. So if I would share anything I would share this song. I love you grandma your all of our hero. <https://youtu.be/P3iGU3sFM5k?si=bP9G4xsxi2GEvL3N>

“ I love Grams! She will be missed! I don't have to boast about being her favorite grandson, but if you let her tell it, we go way back..waaay,waay, back!! All the way back to Carlisle! Grams would always say she went to school with me at Dickinson College. One time she said she was responsible for me being at school and she even paid for me to go! This is just one of the few ways Grams had us laughing!

She loved spending time with us and her great grandchildren...and she loved telling them what to do, especially to sit down and be quiet! :) She was always trying to walk around and go outside or get out the house...always trying to go somewhere. Now she is free to walk around and I know she is running around heaven and dancing too, just like she did at church!

She knew what she was doing going out on a Friday night! She is partying with Jesus, with my mom and the rest of our family :) We're just grateful to have had that extra time with her, like 93 years wasn't enough! She will not be forgotten! Thank you Heavenly Father, Thank you Jesus! Thank you Holy Ghost!

If you're reading this and you haven't accepted Jesus as your personal Lord and Saviour, please take a moment and ask Him to come into your heart! He loves you so much! He wants you to have the same joy that Grams had! You can walk, run, and dance with Jesus like Grams is doing right now!

God bless you and comfort you!

Lovingly submitted,
