Dear Jackie, Josh, Emily & family, I was very saddened to hear of Maria's death. I am so sorry! The memories of her in my heart will never be forgotten!! When Ryan and Josh played soccer all through school I saw Maria (we all called her Grandma) more than I saw my own family members. She ALWAYS had a smile on her face and a hug for me. I have not seen her a lot in recent years but feel a terrible loss knowing I won't see her again in this lifetime. Jackie do you remember when she felt sorry for those of us that are "dance challenged" and she taught us how to do the "Macarena"? I think of her every time I hear that song. She was a wonderful and beautiful lady, how great is it that you had her for a mom and Nana??

*My prayers are with you all,
Nancy Grady (Ryan Duncan's mom)*

“ *Where to start? Nana had a big part in raising me and i have thousands of great memories with her and of her. It was never a dull moment while in her presence and she loved to laugh. While visiting with her in Harrisburg, my favorite thing to do was to make her laugh. I knew while she was laughing her mind was not on her many ailments she was dealing with and that truly made me happy. Love you always and forever, Your grandson Josh*
