*I met Mary in 1989 at the warehouse in Allentown. We worked together a lot in the shipping office and doing physical inventories at the warehouse. When I left the warehouse to work in the Harrisburg area for the same company, the warehouse was closed. I helped her get another job within the company so she could keep her seniority. We always kept in touch and we would see her and Trav at social gatherings.*

*I will miss seeing and talking to you Mary. I will always think of you when I hear the song Back To Life from Soul 2 Soul.*

*Trav, I am so sorry for your loss.*

*Love you Mary.*
