“ *Todays a very special day for a women that means the world to me. Even though your not here doesn't mean theres not a day that goes by that I don't think about you. You were my grandmother , my best friend and now your my guardian angel! When you died my world just fell apart it just hasn't been the same since you left!, I wish I could just go back to the days when I lived with you ! I wish I could hear your voice and your laugh and just sit there and talk to you . I miss you more than I ever have but I know I gotta stay strong and make you proud! There will be a day that we meet again . I love you nanny !!! Happy birthday 86th!*
