“Wow! It's been a whole year since God called my long time family friend home. I'm forever grateful for our special bond that extended 60 years. She wore so many hats in my life through those years. I miss our phone calls and conversations laughing at memories. I find comfort in knowing she's with the Lord and I gave her,her flowers while she was living on this earth. Holding our memories forever in my heart ❤️

“My aunt was a classy woman. Full of knowledge and fearless. I will miss our talks, she was one of my many fact checkers while doing the family research. Our hearts maybe heavy now, but we will rejoice in knowing she's reunited with her husband, children, and grandchildren in heaven. I know my aunt love God and knew God.
