“ *Mattie Watson is unforgettable. I was so sorry to learn of her passing and send my condolences to her family. I was proud to serve as a HHA Commissioner with her and to observe her incredible commitment. She did not pull any punches and she asked good questions that got to the bottom of things. She could make us all laugh. I considered her a role model of sorts. I liked her a lot. She leaves a big space to fill at Morrison and HHA.*

“ To the family,
My condolences to each and every one of you
as you grieve during this difficult time. I am
saddened to hear of the passing of Mattie. I
have so many wonderful memories from
when we worked together at PHEAA, Mattie being a sharp dresser
and when Mattie Carolyn and I would be at 6th and Seneca Sts
every Saturday morning as they sold their crafts clothes houseware
eating, laughing, arguing (with each other) always having a good
time together. Your job is done Mattie and it was a job well done.
Rest peacefully in the bosom of Abraham my friend. ❤️❤️❤️
