“ Darlene and Family, I was saddened to learn of June’s passing. I have known June and you for many years and you all consider me your family and I consider you my family. But losing someone so dear is devastating and no words can ever really relieve that pain. But to help, I wish you courage and healing during these toughest of days. Cry when you feel like it. Let the laughter roll when it comes. And know that your brother will forever live on in the years you shared together. Love, Shirley
