*Dear Eleanor, Marian and family,*

*It is with great sorrow I write this. Michael was a wonderful person. I remember years ago when he first started working for Goodwill Industries how conscientious he was and he always remained a hardworking individual.*

*At this difficult time I pray for courage and comfort for you and your family. Remember in the deepest part of your soul the belief that we will not be separated forever from those we love.*

*God bless you and Michael.*

*Your friend,  
Jan*
