“ Michael P Rosa is not his real name. He stole that middle initial from me 23 years ago and went to jail for it but never stopped using it. He tried living off my career. I am relieved he is dead. Now I can restore my credit after he stole my ID and my credit cards that he frauded and went to prison over.

“ It's surreal for me. One of my closest friend is gone. And although time has passed between our visits, it has always been like we were never apart for long. He was a good man with high aspirations and ambitions. I loved the man and his family, and I'm just broken up knowing they lost their father and husband. He will be sorely missed. SXT_SAMHAIN

“ *What a amazing day to be filled humility and gratitude.*

Today I will share a story on how I met Big Mike!

I met big Mike back when "cash gifting" was blowing up on the internet if you know what Im talking about it was a big deal.

I liked his videos that he was promoting and after awhile we struck up a friendship that stood the test of time.

Our children were babies back then and even though we lost touch here and their, we would always check in on each other now and then.

Our last converstation was amazing we reminisced about our families, our friendship and how we are doing personally.

So when his wife messaged me to tell me I needed to call her, I knew the news wasn't good.

Mahalo nui loa my warrior friend may god watch over your family always.

Thank you for enriching my life over the years rest in peace my humble servant, I will miss our conversations.

I love you.

But, we will meet again!

“ Words can not define this man.
Micheal had overcome so many obstacles,
yet taken so suddenly.
I know this man was a good man when he
married my bestie, and when I was down and
out he took the time to write a letter for me to make parole.
It was an honor to have met you, and when we laughed together it
was pure.
You entered into the pearly gates my friend, say hello to my boy for
me.
Until we meet again, may God bless your family and loved ones.
Be at peace my friend!
