“ Growing up, you have always been there for my mom even when she went thru some things and you let us all move when we didn't have a place to stay. To be honest I never look at you as a God Mother I looked at you as an Auntie, now I know that's the Gangster Lean isn't going to be the same but I know that we will all meet again some day and also you're two gangster lean members as well Cammille, And Nicole. I love you and I miss you.

“ It’s hard to say goodbye to someone who meant so much to my family. Though she is no longer here, her memory and the love she shared will always remain in our hearts. I find comfort in the moments we shared and the impact she had on our lives . As we mourn her loss, we also celebrate the beautiful legacy she leaves behind. May her soul rest in peace, and may we carry her spirit with us every day.
