Forever in Our Hearts, The Family

.....

Love Lives on Forever

Those we love remain with us, for love itself lives on.

Cherished memories never fade because a loved one's gone;

Those we love are never more than a thought away.

As long as there is memory,

Our mother, grandmother and sister lives in our hearts.

“ What a surprise. I don't know if you remember me but I was on the elevator with one of you girls and her. I think you were taking her shopping. This is shocking cause I was talking to her right after she got out of the hospital. She told me that she had surgery and I told her to take care. I live on the 8th floor and I guess she was visiting some one on this floor and she was getting ready to get on the elevator and she saw me coming out of my door. She just had to share with me about my son. She says Debbie he is a polite young man. He sat down there in the lobby talking to her and whoever else was there..I enjoyed sitting out front with her cause we would always be laughing and having a good time.. I am so sorry and will miss her soul.

“ I would like to express sincere condolences on the loss of your loved one. Please find comfort knowing God has a longing to undo death by means of a resurrection. He yearns to bring back to life those in his memory. Job 14:14,15.
