“ Haven't seen Paula for years but our fathers were best friends . Pill and Bud(Fisher). They both married girls with the name of Ruth, and Paula was born on my Mother's birthday. My deepest sympathies to her family and extended family and also to Connie who I haven't seen in years. My heart hurts for you all, Kyleen Fisher Bender

“ *Paula and I have been neighbor's for 40yrs. We had many conversations standing in our driveway and many more in the Giantfood store.*

*She was a blessing to all. She will surely be missed especially when I look over and don't see her doing her gardening. I always introduced her as the best neighbor you would want.
Rest in Peace neighbor*

“ *Paula Green RN , is one of the most beautiful and amazing humans that I got to share life with . She always was a grandma for me , always made me feel safe , welcomed and happy around her . Seeing her unique qualities as a nurse , the way she was able to take care of our Beacon Patients it was a privilege . So kind , thoughtful and precious always.! I feel deeply sorrow for her lost , I have no words but at the same time I know she is resting in peace from her physical body . Strength to her family . Thanks Paula for all your life*

“ *Paula Green was an extraordinary woman. She loved her family, her friends, and her community. I have lots of wonderful memories including the St. Paul's Food Explosion. My favorite memory of Paula is from the time when we both participated in a Richard Foster bible study with several church mates. She taught us all the concept of "loving kindness" and i use it often. Paula will be truly missed by so many people, including her Beacon Clinic family and patients. 💜💜*
