“ I am forever grateful for our family reunions. We got closer and we had so much fun. Fun with laughter and Pearl was always REAL! She loved her family dearly and made sure no one and I mean no one messed with her family. She will be forever missed and my prayers go out to my family. Our family reunions now just won't be the same : (

“ I had Pearl in my 5th grade class many years ago. Pearl brought a light and happiness into my classroom. Unfortunately, I have forgotten some students, but I always remember Pearl and her brother Lester as some of my favorite kids. A wonderful memory I have of Pearl is dressing up like Harriet Tubman for a play we had at Ferguson. She was a natural leader and great friend to others. My deepest sympathies to Pearl’s family. My thoughts and prayers are with you.
