*I was Peggy's Caregiver for 5 years in that 5 years we became very close, She was like a sister, as I took care of her we also talked alot and shared a lot. Peggy was very giving, she loved cooking and teaching you to make the things she liked to eat. In those years she became very close to my Family she was like a second grandmom to them. When they visited me they also made sure they visited her. Peggy loved to sing , She enjoyed singing with the Choir. She had become very Special to me. I started calling her Peggyann, because both our middle names were Ann. She knew it was me when I came through the door or entered a room because I would call out Hi Peggyann. Peggy, You will be Missed but Never Forgotten!! May Peace be With the Family.

“ *Cousin Peggy was the first person that Pierced my ears when I was a little girl at first, I was so mad at her and upset when she did it. But as I grew older my ears healed and now I can wear beautiful earrings. Thanks to her Rest In Peace 🙏 Cousin Peggy ❤️*
