

## Ms. Phyllis A. Cade

March 17, 1947 - May 6, 2017

Phyllis was born Monday, March 17, 1947, in Harrisburg, PA, daughter of the late John S. Cade Sr. and the late Bessie Walker Cade.

Phyllis graduated from the former William Penn High School and retired from Special Care Health Care, Harrisburg. She found joy in reading books and was a member of various book clubs. Phyllis lived life to its fullest with honesty, loyalty and a passion for whatever she believed in. Family, friends and her special friend were precious to her. She would make any sacrifice for her family. As our mother, we saw her as small, but mighty. She took what life threw at her and persevered. She raised us to believe in ourselves. One never wondered where they stood with Phyllis as she was outspoken, straightforward and merely accepted people as they were. Among her pastimes were fishing, playing bingo and gardening.

At her Harrisburg home on Saturday, May 6, 2017, at seventy years of age, Phyllis transitioned from this life into eternal life joining her parents and her son, Page Cade.

Treasured memories will be shared by her three daughters, Lisa Cade of Harrisburg, Ericka Leonard (Harvey) of Sinking Spring, PA, and Kareemah Cade Cole of Orlando, FL; her grandchildren, Amber Jones (Evgenia) of Union City, NJ, Bronson Jones Jr., Kerry Harris Jr., Kiara Harris and Miranda Cade Smith, all of Harrisburg; three great-grandchildren, three godchildren; one brother, Daryl Williams of San Diego, CA; other family members and friends.

Lovingly Submitted, The Family

“ I called her Aunt Phyllis she saved me a few times. One time in particular was when she was out with my mom. I was supposed to be in bed. Well of course I wanted to be outside with my friends. I put clothes on over my nightgown with a white jean jacket. I saw my mom turn the corner and ran up the street got in bed. I thought I got away with it well my mom through her car in a parking space and ran in the house. Aunt Phyllis was right behind her. My mom got me out of bed spanked me in a circle and told me to get in bed and don't you breathe. Had it not been for Aunt Phyllis being there to intervene I would have gotten it a lot worse. I am going to miss her dearly from dropping her off at bingo sometimes to going on our shopping sprees. We would also give each other books to read I am going to miss that. Rest in paradise Aunt Phyllis love you.

*I met Phyllis through our online book swapping group, Frugalreader. Our group has been closed for some years now and some of us kept in touch. Phyllis and I kept touch and each year I would send her a personalized calendar and Christmas CD. Phyllis was always very positive and encouraging. I am really going to miss her. My prayers are with all of you that God grants you the strength and peace only He can provide you as you adjust to your new normal. (Roynita Britton)*
