“ My favorite "litle man." I fell in love with you and your smile as a toddler from day one Uptown. Watching you grow up was shocking! I was so used to the little guy that used to chase me asking "where's my candy at?" Lately, if I didn't see you as we crossed paths, you made sure that I seen you by shouting my name. You will definitely never be forgotten cause we know your name is forever in my life. Praying for all of the family and a peaceful journey for you Shaad. RIP Rashaad.
