“Dad... I'm never going to forget your laugh and your smile ... I miss seeing you riding on that bike with your headphones blasting loud.... Remember when u showed me how to take my bike apart and put it back together (we was fixing my flat tire in grandma back yard in L row) u kept laughing and asking me “are u paying attention because I'm only gone show you this once” and I've never forgot 😘😘 I love and miss you sooo much ... you falling asleep on grandma couch and anywhere you felt comfortable and wake up and make a sandwich, munching on chips and then look at me and ask me what am I looking at 🤔🤔🤔 I'm really going to miss you Until we meet again 🥹🥹🥹🥹🥹 Forever R.L.F. “ Ricky God sent word to the angels to come for you, and they arrived on that day to carry you through, you arrived at heavens door, and met with the family that had gone on before, they met you with open arms and smiles, as Miss Marie said it's been a long road my child, but come on in to joy, peace, healing and no more pain for your suffering is through and come on Ricky Jesus is waiting on you, and you walked on through with that smile and Jesus said welcome home my child..
