To my family in Harrisburg Pa, I have missed all of you since my dear uncle Andrew Lee Greene had to pull up stakes to move from Richmond VA to Harrisburg VA. We spent a lot of time together visiting each other in Richmond. Remember Big Mama's house where you all would come and Berthel and I spent a lot of time coming to your house on Maplewood Ave in the West End near Byrd Park? Rita was 7 years old when the move to Harrisburg took place. My mom passed the year before so I felt great sadness for a long time. We were a close family and still are. My mother and Rita's dad were sister and brother and they were very close. Everyone said Rita was more like my mom in her personality and ways and would express that often. I love and miss Rita and the rest of my Greene family relatives and always have and always will.

Rest in Everlasting Peace and with the rest of the family who have gone on before you. I hope to see you all once again in the 'Sweet Bye and Bye'.

LOVE, PEACE AND BLESSINGS.
