### The Obituary

Robbette Lynn Morton Petty

~~~~~

Those we love remain with us for love itself lives on.

Cherished memories never fade because one loved is gone.

Those we love can never be more than a thought away.

For as long as there is memory, they live on in our hearts.

~~~~~

Robbette Lynn Morton Petty was born to Thelma M. Reed and Hezekiah Reed on Wednesday, October, 2, 1957, in Harrisburg, Pennsylvania. In Harrisburg, on Monday, September 2, 2013, in her fifty-fifth year, Robbette entered eternal rest.

Robbette is survived by her three daughters, Iris Morton of San Antonio, TX, Bylly Jo Morton of Harrisburg, and Bettina Brown of Owings Mills, MD, who blessed her with ten grandchildren, JaiShaun, Seiara, Tyvonn, Queyon, Brianna, Brian, Aries, Rayne, Donovan and Brentin, and two great-grandchildren, Genesis and JaiShaun Jr.

Robbette is also survived by her mother, Thelma M. Reed; sister, Judith Trice of Mt. Union, PA; brother, Howard Reed of Altoona, PA; nephew, Douglas Lester of Mt. Union; niece, Tynisha White of North Carolina; and brother-in-

law, Nathaniel Trice of Mt. Union.

She was preceded in death by her father, Hezekiah Reed; brother, Thurman Reed; and sister, Deborah Lester.

Robbette had a thirst for life that is unmatched by few. She was a savvy dresser who could prepare some of the most delectable entrees all while listening to her favorite Natalie Cole songs with her lips dressed in her signature red lipstick. She always looked forward to Fall which began football season! She was a devoted Dallas Cowboys fan; all that knew her, knew that on a Sunday afternoon, she was sure to be cheering, loudly!

Robbette had a host of friends throughout her life from Harrisburg to San Antonio, TX, and back, with whom she dotingly discussed her mother, children, grandchildren and family who were truly her heart's desires. She had an inviting smile and royal spirit, evidenced by her love of all things purple.

Throughout her life she was an active member of various church organizations where her greatest passion was ministering through music! She loved to sing and rejoice unto the Lord. She always held strong to her faith and is now smiling upon us with glowing joy while in the loving arms of her Savior, eternally at rest.

Lovingly Submitted by the Family
