“ *Venetta*
May the loving memories of your mother help to ease your suffering. Saying goodbye to someone as important as your mother is always going to be terrible but I hope the strength we all know you have will help you to get through the worst of it. May her memory always be with you

“ *Venetta, no words can describe how sorry I am for the loss of your Mom. Our sincerest condolences to you and your family. A mother's place can never be filled. Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you in the days ahead. When someone you love becomes a memory, that memory becomes a treasure. May the Lord comfort you with sweet memories and His perfect peace. Love, Bush & Wallace Family*
