“ *'Mami Ruth', I never met you nor spoke with you, but for the past two years since meeting your daughter TRS, I have come to know you through her. I have prayed for you when the Lord laid it on my heart to do so quite a number of times. Like Abraham of old ' Mami Ruth breathed her last and died in a ripe old age, an old woman and satisfied with life; and she was gathered to her people" .Gen 25:8 . You will be missed but I trust God that someday in that land where there is no dying, no pain and no sorrow I hope to see you. Rest in peace in the bosom of Almighty God' good and faithful servant'.

“ *To the Family of Mother Ruth Salome Roach--*

On behalf of the Harrisburg and vicinity Association of Ministers Wives and Widows we sorrowfully acknowledge the passing of Mother Roach. She could be counted on to provide music at our services and for our Annual Prayer Breakfast. When I last spoke with her she was still playing piano for one of our local churches. Our hearts at this time are with you, her family, and friends of Mother Roach. God bless and keep you and in His own time bring peace and comfort as you recall the wonderful legacy of her life of service.
