“ I appreciate the memory of Ms. Sandy, she helped raise my son, she was a sweet and humble woman and I will remember her kindness always. To the family, words can't comfort you, but God can. She will always be in our memories. She is resting now, no more pain, to be absent from the body, is to be present with the Lord. God Bless and keep you. Twanna George.

“ *Jermell and Family,*
No words can really help to ease the loss you bear. Be mindful it's the little things, the small, everyday occurrences that you'll remember. The laughs, the stories, the smiles. And even though it seems like you can never recover from your loss, it is these very memories that will help push the pain away and bring back the smiles. May He who knows your sorrow bring peace, comfort, and healing to you and your family. Our prayers are with you and your family.
