“ Dena, words can't express the hurt I feel. I'm sorry I wasn't there to attend your services. I just found out today you passed away. I moved from Harrisburg in 2019 so it's alot I don't know that has taken place there. Rest in heaven where there is no more pain, stress, or worry. ❤️ I remember the poem I had published in a book for your wedding, I hope you still have it Anthony. My condolences to you Anthony and family. ❤️

*I am so shocked and saddened to see this. Sherdena was such a kind lady. She and my daughter grew up and were in the same class in school together. Sherdena always treated me with kindness at CVS. I will miss her. I will keep her family in my prayers.
God bless,
