“ I am sending my thoughts, love and prayers to my Pennsylvania family. I remember when my mom and Dad (Mark Dowling Sr) were married he brought us to Pennsylvania to meet our new family members. Stephanie was so sweet and kind to my brother and I and she made sure we were comfortable she and her sisters showed us around the neighborhood. I will never forgot how nice and loving she was to me. My prayers go out to her kids, her parents, her siblings and many family and friends ❤️🙏❤️

Stephanie, I remember you teaching performing arts, and that beautiful big smile lit up the room, you was always respectful and you did a fantastic job teaching dance. May you rest in the arms of your heavenly father 🙏
