ME

“ To my beautiful sister Laila
I thank you for sharing your dad with me and
my boys. He was the epitome of a father and
grandfather. Although we weren't his
biological family he embraced us as such.

He's been there for all of my adult mile stones. Walking Javon to the bus stop and waiting for him at the store after school. Calling Jamari's name 50 million times. Walking them to the store. Steve being around as their big protector was all they needed. They probably could go on and on with their memories.

Steve/Mr. Steve we are going to miss you. We love and we are going to continue to keep loving on Laila. We got her. Sleep In sweet peace, You earned it from Labor to reward until we meet again
