“ *It is with a heavy heart I send my condolences. Stevie as I knew him from childhood was such a great person. As children our families played together, as teenagers we learned together and as adults we prayed together. The Burney Family will truly miss him.*

Family take comfort in your memories.

“ I had the pleasure of working with Steve, while employed at the City of Harrisburg. Steve was always a gentleman and very poised. We often talked about wisdom and Black History. My sincere sympathy to the family. Thank you for sharing him with the rest of us. You are in my prayers.
