

## Suzanne Dillon Williams

February 28, 1970 - July 5, 2025

Suzanne Dillon Williams was born on Saturday, February 28, 1970, in Harrisburg, PA, to Vincent Keith Williams and Sarah Lee (Strickland) Williams, the second child from this union.

Suzanne and her sister Laurie grew up in Edgemont (Susquehanna Township). They enjoyed summers at the Edgemont Swimming Pool with their cousins, Stephanie and Stacey. Her early education began at the Paxton Presbyterian Nursery School and continued at Progress Elementary School, Ben Franklin Elementary School and Marshall (Math and Science Academy). Suzanne graduated from Harrisburg High School, John Harris Campus, and Penn State University, University Park Campus, where she made long-lasting friendships.

Suzanne worked for Delta Dental in Camp Hill, PA, and previously worked for Book of the Month Club (BOMC) where she also made numerous long-lasting loving friends.

A happy place where Suzanne thoroughly enjoyed was vacationing at the condo in Ocean City, MD, and she would often invite family and friends to join her. She enjoyed sunsets on the Bay and going to the beach. During the summer months she also enjoyed hanging out at Nana Sandy's pool with family. Suzanne was an avid gardener and photographer. She often shared

photos of her flowers, sunsets and Christmas trees. Suzanne adored Christmas and decorated extensively. She would often host Christmas parties for family and friends. Attending and hosting paint parties, a fondness for African American Art, visiting Pennsylvania wineries, attending wine festivals, and going out to dinner with friends and family were also among her many passions.

On Saturday, July 5, 2025, at the age of fifty-five, Suzanne departed this life. She was preceded in death by her grandmother, Mary Ann Dillon Williams; and her cousin Stephanie (deceased January 7, 2025).

Suzanne leaves to cherish sweet memories her parents, Vincent Keith and Sarah Lee Williams of Harrisburg, PA; sister, Laurie B. “ I attended Elementary, Middle, and High School with Suzanne and I hadn't seen her since High School. But, when I think of her; all I see is her smile. She either had a smile on her face or was laughing. She had such a bubbly personality and pleasant demeanor. Please allow Suzanne's smile and your fond memories of her to bring you joy where there is pain. I offer my condolences to all of her loved ones...family, friends, and colleagues. May God grant you peace and comfort, during your time of grief.

“ I want to share a little story about Susan. I met her when I was just 12 years old, and honestly, back then, I didn't realize how special she would become to me. I used to pick on her every single day, not because I wanted to hurt her, but just because I was young and silly. Looking back now, I realize how much those little moments meant, because they led to a beautiful friendship that has lasted all these years.

We went from middle school straight into high school, and then life took us in different directions—her going off to college, and me, into the army. But through it all, no matter where life took us, we always found our way back to each other. Even after all the distance and time, our bond remained strong, and I am so thankful for that.

It's really hard not being able to talk to her or send her funny messages every day like we used to. I miss those simple, joyful moments so much. But I truly thank God for giving me the blessing to share so many laughs with her, to create memories that I will cherish forever. Those times brought me happiness and comfort, and I am forever grateful.

Susan, I want you to know how much you mean to me. I love you dearly, more than words can say. My heart is full of love and gratitude for having had you in my life. I pray that you are in a wonderful place now, and I believe you are shining bright in Heaven, being blessed extra special.

Forever and always, I will hold you close in my heart. Thank you for being such a wonderful friend, for all the laughs, the love, and the memories. I love you so much, and I always will.

“ My profound condolences to Suzanne's family, friends and loved ones. I had not seen her in several years, but viewing the pictures and videos, she was the same personable and warm-hearted person she was back in the day. Suzanne's thoughtfulness and positive energy was always welcomed and appreciated. With her bright smile and kind spirit never to be forgotten, may Suzanne rest in peace.

“ One of my very first friends. You and Laurie are a huge part of my childhood memories at CC. I remember sitting on your window sill outside (because me and my sister could stay out just a little later). We talked and giggled about everything. I enjoyed the escape from the city to Edgemont where your Nanna was all of our Nannas. Thank you for those memories and say hi to sweet Nanna for me.

“ My prayers and deepest condolences to the family. Suzanne was a very infectious and insightful person in regards to her smile, her wit & candor, her willingness and ease to just be a nice person. She always had a "hey how are you doing?" When we last spoke, it was as though we had just seen each other....Suzanne, a beautiful human and will truly be missed.

“ Suzanne was a beautiful person inside and out. Her smile was infectious and she had a heart of gold. She loved her family and talked about them often, so much I truly feel that I know them and never met them. One of our last adventures we had early this year, I was looking for a dress for my granddaughters wedding. My sister was to go to Nordstroms with me but had to cancel at the last minute, Suz was so gracious and said she would go with me to Nordstroms in Maryland. We had a great time together and we talked about Laurie and Kim on the way and back. We also enjoyed getting together for dinner at some of our favorite places, she introduced me to the Peachtree. I introduced her to Penn's Tavern, it was a beautiful day to sit on the deck and watch the Susquehanna River. I will miss you always as you touched my heart and left to soon. Love ya till we meet again. Cindy Smith

“ My heart will always remember Suzanne's presence. She made you feel special and made you laugh. Suzanne lit up a room with her big, genuine smile every time. The best hugs! She introduced me to Alicia Keys and I made her frittattas. So glad a few of us from Book got to spend time with her last fall at the winery. On many stormy days I watched her pour the rain out of her treasured Coach bag! Good to go she'd say. And she clearly was so good! ❤️

“ Suzanne always had an infectious smile, a positive attitude and arms you just wanted to hug. When I interviewed Suzanned for a Supervisor position at Delta Dental -contact center - I knew within minutes she was perfect for the job, and would provide caring/kind/nurturing guidance to her staff. I was extremely happy when she accepted a second position on my staff in enrollment, where she has been a wonderful team mate, friend and all around great partner. We volunteered at Bountiful Blessings together and wherever she was she made people smile. I will always think of you my dear Suz, until we meet again,  
Always, Tracey Simpson.
