“ I can remember our formal days and don't regret anything. Life has not always been easy and I don't know anyone personally who have endured pain and suffering like you. I wish life would have offered you more while you was here but now you're in a better place. I will never forget that laugh and you saying " huh Doe" So many good memories, hard ones, bad ones but was all worth being apart of your life. I will always love you and never forget you. Ms. Tammy Jackson you can rest now 🙏🏻🙏🏻

“ I will always remember Tammy's sweet smile and laugh. She was my big cousin and always looked out for me. Growing up she taught me so much. We did hair and learned all the new dance moves. I am saddened by her passing just because I know how much she is loved here on earth. But I am also comforted because we have an angel watching over us. I am continuing to pray family. I love you all.
