“ I met Ms. Taylor at Penbrook Learning Center where she enjoyed working with kids daily. I asked Ms. Taylor to braid my daughters hair and she laid a style on her that lit up my daughters face instantly. Taylor moved on and to hear that she was the young lady that passed on the bicycle, has me lost for words. Such a beautiful young lady and amazing spirit she had. RIP Ms. Taylor.....enjoy your wings!!!

“ Taylor Childs was one of my first friends in 7th Grade. I will never forget the day that I met her and her father. Though I was a quirky, crazy, weird kid. Taylor embraced me and loved me just the way I was. Taylor didn't care about the clothes I wore or whether or not I was popular, she just cared about me. I always looked forward to her warm smile and words of encouragement. Taylor was the first person that displayed what it meant to love someone genuinely and saw my character more than the external things that are here one day and vanish the next. My heart is broken at the thought of your loss but my prayer is that Heaven is rejoicing because of the angel they've gained. I love you beyond measure Taylor Childs and I pray that we would see each other in Glory so that we can worship King Jesus together.

“ Taylor was like a 3rd daughter. Her and my daughter Angie, became friends in high school at C. D. East and roommates at West Chester University. Can't believe you are gone, but God needed another flower for his garden and he only chooses the best. Rest in heavenly peace Taylor made. My garden will miss you.
