“ I don't even know where to begin baby brother aka Bo. Your nephews, your twin aka Bell, and I wish this was all a bad dream. It is so hard to believe that you are no longer with us and that we will never ever hear your voice or see your smile ever again. We are hurting really bad and there are no works of comfort that will ease the pain that we are feeling BUT we thank God for the many memories that we have shared. As much as we did not want to see you in ICU- 100% Ventilator....We knew it was time to let you go and believe God makes no mistakes. We will continue to pray for peace and understanding. We love you forever and ever! Tonyka, Sherelle, Kareem, Shaquille, Na'Seen & Sha'Pier!
