“ My heartfelt condolences to the family of Terrance. Sending comfort to you Debbie. May God continue to watch over the family. The bible says to be absent from the body is to be present with the Lord. Rest well

“ I don't even have the words to express how I'm feeling cuz, you became my big brother and best friend all in one. You would tell everybody that, I can't believe I won't hear "Yo Nik" at 2-3 in the morning when you would call just because 😞😞 this is the worst ever 😞😞 I'm going to miss you so much. My heart aches for Aunt Debbie and the rest of the family. You were one of a kind, but God knows best and he has the best with him. I love you were our last words, so until I see you again 💙😞😞💙. Love Always Nikki

“ This saddens me deeply 😞 Nephew it seems like we just was speaking on the phone. So many great memories that I will hold onto. You and the family will have a very special place in the Patterson families hearts. I'm so very thankful to see you grow from a teen to a grown man sharing golden life nuggets a long the way. Loved when you and Troy called me Unc. I truly will miss you no more pain for you to live with.

May Yahshua's grace and mercy give comfort to the family in this hour. Rest now I'm glory nephew. You gave me a tiger eyed ring many moons ago. I no longer can fit it but I will always hold onto it as a gift of remembrance of you nephew. Deb and family I'm here if you need me. 💕 I'm so grateful that you've been in my circle of life 🙏❤️

“ To my brother you are loved. I know the battle was hard and I know you fought a good fight but I wish this wasn't a reality. It's hard to lose anyone but to lose a sibling I still can't understand it. Even in your worst days you were so full of life. I know you are at peace and surrounded by angles who will care for you. I wish I could tell you how amazing you were and how proud I am of you one more time! Until we meet again I love you! #GeorgesKids
