Deepest Sympathies, and Condolences Sweet Family,

When you met Poncho, he was your family for life. His name was Sweet for a reason. He blessed our family with his love and great humor for many years. He was one of Helen and Harold's other son's as they would say it. Heaven has gained another angel.

Rest in Peace my friend and brother from another mother.

May tender memories soften your grief. May fond recollection bring you relief, and may you find comfort and peace in the thought of the Joy that knowing your loved one brought it threefold to others.

Many fond memories forever in my heart.
