“ Aunt Toi! You lived and loved unconditionally! All time I spent with you I felt nothing but love, peace and joy. You showed me how to be strong and stand up for myself. You taught me not to let people play in my face and I'll always love you for that. Thank you for always showing me love no matter what was going on. ❤️ I know you're with us stronger in spirit!

“ My condolences to Leslie, Johnny and Jamila on your loss of your sister and your mother. Toi was a very loving and caring person. She always had a smile and her infectious laugh. I have so many fond memories of growing up with Toi, that it would take up pages. Just know that I love you and you will be greatly missed. But your suffering is no more. May God give your family strength to get through this.. one day at a time. Our family has had lost so many love ones in these past few years, but we managed to make it through each time. Love y'all so much and take care.
