“ veronica we had so many good memories with the crew on 17th street. One thing is certain buddy you enjoyed your life here on earth and can now continue your journey into everlasting life. We will miss you much, but you were called home early and i guess we will just have to way until its our turn to have fun with you again my friend...prayers to your son to keep his faith in God and to know that he or you has done nothing wrong but that this is the natural process of our lives. Some will leave earlier than others, but we will all get there at the same time and the same place...your spirit will be remembered as a cheerful fun girl that everybody loved to be around. I was so happy to see you in Double D's after all the years that i hadn't seen you.....enjoy your eternal stay in heaven buddy.....no more tears, the cryings over there, you will live free from every care. you've gone to glory to sing and shout!!!!!!
